Since 2021, JLNV has been bringing women from across the region together to have fun, win prizes, and enjoy meaningful connection—all while supporting our mission. Our inaugural Galentine’s Purse Bingo began as a virtual event during the COVID-19 pandemic. In 2022, we transitioned to an in-person event at the Mount Vernon Inn and sold out our 60-person space. Building on that momentum, we expanded to a larger room at Mount Vernon in 2023 and once again welcomed a full house, with special guest Miss Commonwealth 2023, Alexia Williams, calling our bingo rounds. For our 4th Annual Purse Bingo in 2025, we elevated the experience by moving to the Army Navy Country Club in Arlington, where Miss Commonwealth Savanna Holland hosted an exciting morning of bingo for an audience of 145 guests!
